CAREGIVING ANGELS

Show them that you care... Say thank you.

Have you ever stopped to think about what it would be like to be a physician, a nurse, caregiver, or other support staff working in the healthcare field? The decisions and choices they make (sometimes hundreds a day) can change your life forever.

HAVE YOU EVER HAD A CAREGIVER WHO:

- Treated you with kindness?
- Treated you with respect?
- Restored your physical or mental health?
- Consoled you when others were too busy?
- Gone out of their way to make you comfortable?

Now you can say thank you in a very special way. By making a gift to the Ridge Meadows Hospital Foundation in honour of your “Caregiving Angel”,

he or she will automatically receive a special angel pin and a letter from RMH Foundation telling them that they have been honoured and by whom.

With the pace that these dedicated professionals work each day, what a breath of fresh air it would be for them to receive such an honour and know that their work is appreciated and they are remembered. You may also want to honour another important part of the healthcare team—the volunteers who give freely of their time. They have made a difference in your life.

Show them that you care. Say thank you.
