

To Whom It May Concern,

It's that time of the year again. Welcome to the 2022 Haney Builders Fitness Challenge, in support of the Ridge Meadows Hospital Foundation. Last year's inaugural event, which had 42 walkers from Haney Builders and the RMHF, was a big success. We managed to virtually walk across Canada and back over a 45-day span. This year, we are supersizing it and increasing our participants to 150! We are currently looking for walkers outside of our company to make it more of a community event.

Similar to last year, our challenge will consist of two parts. The first part is the group challenge where we will see all walkers combine their steps to walk around the world. The second part is our team challenge and this is where things get exciting. Teams of ten will compete against each other on weekly challenges and points will be given to each team based on their ranking for the week. At the end of the 5-week completion, those points will be counted and a winning team announced. Last year's Team Pollard Chiropractic pulled off a victory in the last week by 1 point and we hope to see the same competitive spirit this year.

By now we are sure you are asking how you can help. We have 3 sponsorship opportunities. The first is team sponsorships. Included in this sponsorship will be 10 participant spaces (should you want to also participate), naming rights (it can be anything you want but please keep it appropriate) and access to the tracking app we use, MoveSpring. If you choose to simply sponsor a team, that's fine too as we will fill the spots available. The second opportunity is a weekly Team Battle sponsorship. Each week, a weekly (5) sponsor will be highlighted through social media and in store recognition. And finally, the third way you can help is through being a 'pitstop' sponsor and we have 33 spots open for this option. As we hit each pitstop we recognize your support and of course, a simple donation is always welcome.

Whether you are looking to sponsor a team, a Team Battle Week or a pitstop, or join in on the walking we would love to work together for this great cause. The Ridge Meadows Hospital is an essential part of our community, and every little bit helps. Please find the Sponsorship form on the back side of this page. If you have any questions regarding this event, please contact Karl Neufeld-Peters or Bill Hunter at 604-463-6206 or via email @ [karl@haneybuilders.com](mailto:karl@haneybuilders.com).

On behalf of Haney Builders' Supplies, we thank you for your support towards the Ridge Meadows Hospital Foundation!

Sincerely,

Bill Hunter and Karl Neufeld-Peters
